

**Proposed Bylaw Amendment
to the Mission Royale Pickleball Club Bylaws**

The Executive Board may hold a meeting, closed to members, if there is a need to address matters relating to the conduct of or complaint against a specific club member. Said meeting will comply with the notification process for other club meetings and minutes of such meeting will be kept and available to the community manager or HOA board on request.

*Voting will take place
December 16-22, 2024
